

**ADDENDUM TO MONTHLY OPERATING REPORT**

**In re The Litigation Practice Group, P.C.**

**Bankruptcy Case No. 8:23-bk-10571-SC**

**Month Ending 3/31/2024**

Due to a lack of cooperation by Debtor's principals, Trustee is not able to definitively answer all questions set forth in the monthly operating report. Due to the fact that the form cannot be electronically submitted without a response to each and every question, Trustee has responded with either a "\$0" or "no" for the questions to which he does not possess the information and elaborates on such answers with the following explanations and additional information:

<b>Question</b>	<b>Trustee's Explanation</b>
Debtor's Full-Time Employees (current)	As of August 2023, all employees providing services to Debtor's clients and former clients were terminated. Prior to bankruptcy, Debtor transferred all of its legal services agreements to one or more law firms. Trustee avoided and recovered the transfers made to Phoenix Law. The employees servicing the files were employees of Maverick and Phoenix had an agreement to reimburse Maverick. In short, Trustee did not have actual employees.
Debtor's Full-Time Employees (as of date of order for relief)	Trustee does not have this information and it was not provided by the Debtor.
<b>Supporting Documentation section<sup>1</sup></b>	
Statement of cash receipts and disbursements	Form 2 is attached.
Balance Sheet containing the summary and detail of the assets, liabilities, and equity (net worth) or deficit	Form 2 is attached.

---

<sup>1</sup> As mentioned above with respect to employees, and alleged in the Adversary Proceeding, pre-petition, substantially all of Debtor's assets were also fraudulently conveyed to transferees and fraudulent conveyance partners such as Phoenix Law, Greyson Law Center, PrimeLogix, Maverick, and others. Perhaps this scheme explains why Debtor and its principals have refused to turn over the documents sought pursuant to this supporting documentation section. Upon the service of the TRO and PI, Trustee learned that all revenue formerly of LPG was, prior to the Trustee's appointment, being siphoned from LPG to go to these other entities; Mr. Diab testified as much at the hearing on the Preliminary Injunction. Trustee's Special Litigation Counsel is in the process of finalizing and serving subpoenas on all financial institutions and third parties that appear to have been engaged in or recipients of monies believed to belong to LPG that appear to have been siphoned and used for other purposes.
